

Nelson  
TUBS

IT'S ALL ABOUT THE INTAKE!

# Performance 30

Low moisture, cooked tubs for optimal animal nutrition. Consistent Nutrient Delivery  
Made in the USA

## ABOUT THIS PRODUCT

30% all natural protein with a balanced mineral and vitamin delivery. All-natural protein sources promote rumen microbial health and improve forage digestion. This tub aids animal health, reproductive health, and aids in maintaining body condition.

Performance 30 tubs provide concentrated carbohydrates, protein, minerals and vitamins to cattle consuming low to moderate quality grass pasture, baled hay or crop residue such as corn stalks or wheat stubble.

## FEEDING DIRECTIONS

Feed one (1) tub per every 20 to 25 head of cattle. Place tubs in a dry area near loafing area, salt and water. Adjust ratio if needed to achieve desired intake after the initial acclimation period. The expected intake of Performance 30 Tub should be in the range of 0.50 to 1.0 lbs. per head per day. Provide free choice salt and access to fresh clean water at all times.

## CAUTION

Follow label directions. The addition to feed of higher levels of premix containing selenium is not permitted.

## WARNING

This product contains copper. **DO NOT FEED TO SHEEP.**

## NUTRIENT ANALYSIS

Crude Protein, min	30.0%
Crude Fat, min	4.0%
Calcium, min-max	1.0 - 1.5%
Phosphorus, min	1.5%
Copper, min	400 ppm
